

# Newborn to 3yrs Parent Meeting

Families who have a child between the ages of newborn to 3 yrs are invited to attend our new monthly parent get together. We are going to try to have them on the last Thursday of the month (in a month where a holiday conflicts, we will work something else out)

Since these will likely be fairly small meetings, children are welcome to attend...we will have toys available, but at this point, we will not have childcare. (the room is small enough that we can watch them while we visit with each other)
